The Brian E. Wagner Scholarship Fund proudly awarded scholarships to seniors from four different high schools: Fenwick, IC Catholic Prep, Timothy Christian, and York.

The foundation's annual tradition grants college funding to exemplary students who have proactively served their community through dedicated volunteer service.

Its mission aims to encourage high school students to serve as leaders by exercising sound judgment and making a positive impact in their lives and the lives of others.

Brian Edwin Wagner tragically passed away in 1993 at the age of 16, he dedicated much of his life assisting his peers and neighbors. Brian's legacy is commemorated by this scholarship program.
